

PRIVACY POLICY MODEL FOR MOBILE APPLICATIONS

This privacy policy governs your use of the provided software application App for mobile devices that was created by Michel van Nistelrooij the Netherlands. The provided App's provides information.

Automatically Collected Information

The App's may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Third Party Services

Only aggregated, anonymized data is periodically transmitted to external services to help us improve the Application and our service. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.

These third parties may also obtain anonymous information about other applications you've downloaded to your mobile device, the mobile websites you visit, your non-precise location information (e.g., your zip code), and other non- precise location information in order to help analyze and serve anonymous targeted advertising on the Application and elsewhere. We may also share encrypted versions of information you have provided in order to enable our partners to append other available information about you for analysis or advertising related use.

Opt-out rights

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches. Michel van Nistelrooij has no influence on the Application security environment.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us and your company that uses Michel van Nistelrooij App's. "Processing," means using a Mobile Device in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the EU. If you reside outside the EU your information will be transferred, processed and stored there under EU privacy standards.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us at www.michelvannistelrooij.nl.
